	group B no.46a.	AD5-40/45	∅
	South Ditch [669].	AD30-50	●
7	'nr. Hitchin' [919].	-	∅

Notes

The pots from Braintree and Southminster belong to pre-conquest burials, and the Prae Wood examples are all essentially native; the Kent vessels show the survival of grog into the Roman period, This is a variant form without any regional significance.
